

SAVE OUR SOILS

Decision Supporting tools towards SDG's policy implementation

We are pleased to invite you to the "SAVE OUR SOILS" Workshop, organised and hosted by the Horizon2020 project LANDSUPPORT, where we share and discuss with you our results towards a very ambitious goal: the development of decision support tools - as well as other projects' and initiatives' insights - for key agriculture and environmental policies implementation including SDGs, CAP, New Green Deal.

Why the SAVE OUR SOILS Workshop?

Recent progress in Geospatial data, modelling and Geospatial Decision Support Systems (DSS) promises to deliver smart operational land planning and management tools. Such tools aim at supporting land sustainability policies.

This workshop will be a unique opportunity to bring together current research on this topic and policy makers and it will include project contributions to: tools for policy implementation in agriculture, land degradation and land take, and ecotourism and biodiversity.

This will include the findings from the Horizon2020 LANDSUPPORT project as well as other International, European and national projects (e.g. Horizon 2020, Horizon Europe, EJP-soil, LIFE+). It will be enriched by speakers' insights on these topics and roundtables to discuss common challenges and possible solutions towards SDG policy implementation.

For more information about the LANDSUPPORT project, please visit: www.landsupport.eu

Where will the Workshop take place?

At the University of Naples Federico II in Portici, near Naples, Italy

When will the Workshop take place?

Wednesday, 27 April – Thursday, 28 April 2022

Please find the agenda attached to this invitation.

Due to the current COVID situation, we may extend the registration deadline by 1 month, until Friday, 25 February 2022. Please register [via this link](#).

In case of any questions or queries, please do not hesitate to reach out to the project management team at Modis via:

management@landsupport.eu

Looking forward to welcoming you in Portici!

With best wishes,

Anca Florea, Kathrin Prebeck, Angelo Basile and Fabio Terribile
For LANDSUPPORT

WORKSHOP -

SAVE OUR SOILS - Decision Supporting tools towards SDG's policy implementation

27 -28 APRIL 2022

27 APRIL 2022

	TOPIC (SPEAKER)	DURATION (MIN)
08:30	Arrival of meeting participants – Registration Desk Coffee and Poster Delivery	
09:00	Welcome by the Dean of the University TBC	15
09:15	An intro to Decision Supporting tools towards SDG's policy implementation Fabio Terribile (Coordinator of the H2020 project LANDSUPPORT, UNA)	20
Scientific Session: Tools for Policies Implementation in Agriculture		
09:35	Keynote Speech exploring policy and research interactions TBC	20
09:55	Session 1 - Scientific contributions (about 15 minutes each)	60
10:55	Coffee Break	20
11:15	Session 2 - Scientific contributions (about 15 minutes each)	60
12:15	Roundtable "Science into Policy" – how can we transform the insights to improve related policies? Moderated by TBD	60
13:15	Lunch, Posters and Guided Testing	90
Scientific Session: Tools for Land Degradation and Land Take		
14:30	Keynote Speech exploring policy and research interactions TBD	20
14:50	Session 1 - Scientific contributions (about 15 minutes each)	60
15:50	Coffee Break	20
16:10	Session 2 - Scientific contributions (about 15 minutes each)	60
17:10	Roundtable "Science into Policy" – how can we transform the insights to improve related policies? Moderated by TBD	60
18:10	Short summary and final notes of the day Fabio Terribile (Coordinator, UNA)	10
19:30	Working Dinner	

WORKSHOP -
SAVE OUR SOILS - Decision Supporting tools towards SDG's policy implementation
27 -28 APRIL 2022

28 APRIL 2022

	TOPIC (SPEAKER)	DURATION (MIN)
08:30	Arrival of meeting participants – Registration Desk Coffee and Poster Delivery	
09:00	Welcome Fabio Terribile, Coordinator	20
Scientific Session: Tools for Ecotourism and Biodiversity		
09:20	Keynote Speech Ecotourism exploring policy and research interactions TBC	20
09:40	Session 1 - Scientific contributions (about 15 minutes each)	60
10:40	Coffee Break	20
11:00	Keynote Speech Biodiversity exploring policy and research interactions TBD	20
11:20	Session 2 - Scientific contributions (about 15 minutes each)	60
12:20	Roundtable “Science into Policy” – how can we transform the insights to improve related policies? Moderated by TBD	60
13:20	Final Notes and Close of Workshop Fabio Terribile (UNA, CoO)	10
13:30	For those who will not depart right away - Lunch and Guided Tour in the botanical garden: A journey between plants, soils and LANDSUPPORT
